NOT TO BE USED FOR ANY PURPOSE OR IN ANY MANNER CONTRARY TO THIS LABEL UNLESS AUTHORISED UNDER APPROPRIATE LEGISLATION.

WITHHOLDING PERIOD – DO NOT APPLY LATER THAN ONE DAY BEFORE HARVEST

GENERAL INSTRUCTIONS
This product is for use with thidiazuron (eg Dropp®) and Resource® cotton defoliants. This product may also be used as a carrier for insecticides as per the directions for use table of the relevant mixture product.

Mixing
When using as a carrier: Add the required amount of D-C-Tron Cotton to the tank, then add the insecticide according to its labelled rates.

When used as a defoliation aid: Add the required amount of defoliant (e.g. Dropp® or Resource®) to the mixing tank, then water, and lastly add the D-C-Tron Cotton and agitate well. Maintain continuous agitation while spraying.

PROTECTION OF LIVESTOCK, FISH, CRUSTACEANS AND ENVIRONMENT
DO NOT contaminate streams, rivers or waterways with the chemical or used container.

STORAGE AND DISPOSAL
Keep out of reach of children. Store in the closed original container in a dry, cool, well-ventilated area, out of direct sunlight.

This container can be recycled if it is clean, dry, free of visible residues and has the drumMUSTER logo visible. Triple or pressure rinse container for disposal. Dispose of rinsate by adding it to the spray tank. Do not dispose of undiluted chemical on site. Wash outside of the container and the cap. Store cleaned container in a sheltered place with cap removed. It will then be acceptable for recycling at any drumMUSTER collection or similar container management program site. The cap should not be replaced but may be taken separately.

If not recycling, break, crush or puncture and bury empty containers in a local authority landfill. If no landfill is available, bury the containers below 500 mm in a disposal pit specially marked and set up for this purpose clear of waterways, desirable vegetation and tree roots. Empty containers and product should not be burnt.

FIRST AID
If poisoning occurs, contact a doctor or Poisons Information Centre (Phone Australia: 131126). If swallowed do NOT induce vomiting. Give a glass of water.

Material Safety Data Sheet
Additional information is listed in the Material Safety Data Sheet, which is available from the supplier.

NOTICE TO BUYER
Caltex accepts no responsibility for any consequence whatsoever arising from the use of the product other than used in accordance with this label.
