NOT TO BE USED FOR ANY PURPOSE OR IN ANY MANNER CONTRARY TO THIS LABEL UNLESS AUTHORISED UNDER APPROPRIATE LEGISLATION.

WITHHOLDING PERIOD – DO NOT APPLY LATER THAN ONE DAY BEFORE HARVEST

GENERAL INSTRUCTIONS

This product is for use with thidiazuron (eg Dropp[®]) and Resource[®] cotton defoliants. This product may also be used as a carrier for insecticides as per the directions for use table of the relevant mixture product.

Mixing

When using as a carrier: Add the required amount of D-C-Tron Cotton to the tank, then add the insecticide according to its labelled rates.

When used as a defoliation aid: Add the required amount of defoliant (e.g. Dropp¹ or Resource²) to the mixing tank, then water, and lastly add the D-C-Tron Cotton and agitate well. Maintain continuous agitation while spraying.

PROTECTION OF LIVESTOCK, FISH, CRUSTACEANS AND ENVIRONMENT

DO NOT contaminate streams, rivers or waterways with the chemical or used container.

1374-220-0908

STORAGE AND DISPOSAL

Keep out of reach of children. Store in the closed original container in a dry, cool, well-ventilated area, out of direct sunlight.

This container can be recycled if it is clean, dry, free of visible residues and has the *drumMUSTER* logo visible. Triple or pressure rinse container for disposal. Dispose of rinsate by adding it to the spray tank. Do not dispose of undiluted chemical on site. Wash outside of the container and the cap. Store cleaned container in a sheltered place with cap removed. It will then be acceptable for recycling at any *drumMUSTER* collection or similar container management program site. The cap should not be replaced but may be taken separately.

If not recycling, break, crush or puncture and bury empty containers in a local authority landfill. If no landfill is available, bury the containers below 500 mm in a disposal pit specially marked and set up for this purpose clear of waterways, desirable vegetation and tree roots. Empty containers and product should not be burnt.

FIRST AID

If poisoning occurs, contact a doctor or Poisons Information Centre (Phone Australia: 131126). If swallowed do NOT induce vomiting. Give a glass of water.

Material Safety Data Sheet

Additional information is listed in the Material Safety Data Sheet, which is available from the supplier.
